A Note from our President

Welcome to the Sun City West Bocce Club's 2020-2021 season. We have been greeted with issues beginning from the end of last season, including the shutdown of most of the SCW facilities. This has also created challenges communicating with the Recreation Centers, but thankfully, things have loosened up through November. The courts are available, but masks and distancing are required by the Recreation Centers for now. We will keep everyone up to date as changes are announced.

Fall 2020 Bocce Season Postponed due to COVID-19

Per Sun City West Recreation Center and due to COVID-19 pandemic, there is no Bocce Club league play allowed until further notice. However, the bocce courts are open for member play only. We look forward to when we will be able to normalize and play as leagues again. Stay SAFE!

2020 In-House Tournament Follow-Up

The In-House tournament was a big success. Congratulations to the winners. Thank you to all the teams that entered. A big thank you to all the volunteers that made it happen and a special shout out to: Marilyn & Joe Zenz, Betty Barstow, Erika Valk, and Kathleen Ashing. Ed could not have done it without you. We look forward to seeing even more teams at next year's tournament.
