

Hello! My name is Sue Sachs and I am your new Bocce Club Membership Chairman. I'm a snowbird from Colorado and am looking forward to getting back to Arizona and bocce. This job means that I will be the person who collects the membership forms and dues, and I will compile our Club membership list for our club records, as well as for the Rec Center. League captains will send me their roster and a check for everyone's dues as we begin our new season. Members not on a league will submit their membership forms and dues individually. I'm excited about a fun season of bocce! **Sue Sachs** (719) 210-8541
